SITUATION AND DESCRIPTION

The property is situated within its own grounds of 1 acre, 1/2 mile west of the rural hamlet of Thorndon Cross and approximately 4 miles northwest of Okehampton.

Okehampton lies on the northern edge of Dartmoor National Park. It is approximately 30 miles from both the north and south Devon coasts. There are superb local beauty spots where one may enjoy walking, riding and fishing. The shopping area contains banks and supermarkets as well as many interesting locally owned shops. Primary and secondary education is well catered for in local schools. The recreation ground and park contains, amongst other things, a covered heated swimming pool. Most sports are available including 18 hole golf course, squash courts, indoor rifle range and thriving rugby and soccer clubs. The cathedral city of Exeter lies 22 miles to the East with an abundance of high street stores and the region's main airport.

Under the current ownership since 1994 and also extended, Hewton Down is very well presented former farm house located on south facing slopes within its own well maintained gardens. The accommodation which is generous and well-appointed throughout briefly comprises, entrance hall; ground floor bathroom; dining room with feature fireplace; living room; conservatory; kitchen; a master bedroom with en suite completes the ground floor. To the first floor there are a further three double bedrooms. The property has potential for further extension.

Outside are grounds amounting to approximately 1 acre which are subdivided into private areas of lawn all benefitting from the southerly aspect and moorland views. Adjoining the driveway and turning circle is a sizeable garage/workshop which has been in use as a joinery and opposite the garage/workshop are two timber storage sheds, one of which houses the filtration equipment for the private water supply.

ACCOMMODATION

Reference made to any fixture, fittings, appliances or any of the building services does not imply that they are in working order or have been tested by us. Purchasers should establish the suitability and working condition of these items and services themselves.
