Set amongst mature, wraparound gardens and no near neighbours, the property is conveniently situated for easy access whilst enjoying far reaching countryside views over the neighbouring pastureland. Whilst the property would benefit from a programme of light refurbishment, it offers a fantastic opportunity for those looking for a period property in a convenient yet rural position, being offered for sale with no forward chain.

ACCOMMODATION

The accommodation is both practical and spacious throughout, offering three reception rooms including the conservatory, three double bedrooms and a typical cottage style kitchen with ground floor utility room. The kitchen has a range of wooden base and wall mounted units, built in fridge, double oven, induction hob and an understairs storage and views over the rear garden. The utility is an ideal space with plumbing for white goods, a separate ground floor cloakroom with WC and shower and door to the side access. There are two generous reception rooms both with original character features, including a prominent stone fireplace in the sitting room, slate floors and views over the front gardens and driveway. Both reception rooms also benefit from wood burning stoves. The conservatory is well positioned to enjoy the far reaching rural views over the garden and neighbouring pastureland.

The first floor has a split level landing with three spacious double bedrooms. All of the rooms benefit from built in storage space and bedrooms 2 enjoys a stunning rural outlook. All three bedrooms are serviced by the family bathroom, complete with a matching suite.

OUTSIDE

The property sits on its own, surrounded by gardens to all sides full of mature shrubs and trees providing an everchanging array of colour throughout the seasons. There is a large gravelled driveway upon approach, with ample parking for 4-5 vehicles and turning space. There is a small lawned garden at the front, enclosed by natural hedging with a generous and expansive garden at the rear. Various pathways through the gardens lead back to the front, bounded by both natural and fenced boundaries.
