Situation

Firfield is situated towards the edge of the traditional market town of South Molton, which offers a comprehensive range of amenities including schooling from nursery through to secondary level, a Sainsbury's supermarket, Post Office, pubs, cafés and an abundance of independent and artisan shops. The town also comes alive with the popular twice-weekly pannier market and weekly stock markets take place. The recently improved A361 North Devon Link Road bypasses the town and provides convenient access to the regional centre of Barnstaple to the west and Tiverton, the M5 and Tiverton Parkway railway station (London Paddington approx. 2 hours) to the east. Both Exmoor National Park and the renowned North Devon coastline are within easy reach by car.

Description

Firfield is a fine detached chalet bungalow offering light and comfortable accommodation, situated within a quiet and established residential area of South Molton. The property has been significantly re-modelled and improved by the current owners, with careful attention to detail and a number of features inspired by the Art Deco period. The bungalow occupies a generous plot extending to approximately a quarter of an acre, providing landscaped gardens and ample off-road parking.

Accommodation

A uPVC enclosed entrance PORCH with slate tiled flooring opens via a part-glazed stained-glass door into a long and welcoming HALLWAY, featuring attractive patterned tiled flooring.

The SITTING ROOM is a generous and inviting reception room, enjoying excellent natural light from a bay window to the front elevation and centred around a feature fireplace.

The KITCHE/DINING ROOM is well laid out with ample storage and is fitted with a 1¼ bowl sink unit with mixer tap, electric double oven and hob with extractor hood over. There is a former fireplace with a working chimney and next to it is a cupboard that houses the boiler (newly fitted August 2025). There is more than ample space for a family dining table.

Off the kitchen is a UTILITY ROOM with fitted units and space for a dishwasher and washing machine, stainless steel sink unit, airing cupboard and additional space for white goods. A part-glazed door leads to steps down to the BOOT ROOM, which has a tiled floor and a door to the outside. A further door from the utility room leads into the CONSERVATORY, with a fine outlook over the garden.

There are two bedrooms on the ground floor. BEDROOM ONE is a double room with a bay window and a large walk-in wardrobe with fitted hanging rails and shelving. The fully tiled EN-SUITE SHOWER ROOM comprises a shower cubicle with electric shower, WC, vanity wash basin, heated towel rail and mirrored cabinet. BEDROOM TWO is also a double room with glazed double doors opening to the garden and a fully tiled EN-SUITE with WC and wash basin.

A STAIR HALL with turning stairs leads to the FIRST FLOOR and BEDROOM THREE which is a double room enjoying views over the garden, town and beyond. There is ample under-eaves storage and a well-appointed EN-SUITE

BATHROOM comprising a panelled bath with mixer tap and shower attachment, WC, pedestal wash basin and heated towel rail.

Outside

The property is approached through double gates leading to a driveway that provides plenty of parking and also leads down to a turning area. The front garden is enclosed by a stone wall and is predominantly gravelled with established beds planted with shrubs and trees.

The enclosed rear garden has been thoughtfully landscaped and features a mix of patio and gravelled seating areas, an area of lawn with a greenhouse and a small pond and a lower section with a kitchen garden with raised beds. There is also a timber GARAGE/WORKSHOP.
