A spacious three-bedroom semi-detached townhouse in the popular rural village of Claverham. 16 Mayors Road was constructed by the well-respected Newland Homes in 2020 and is still enjoying the reassurance of the remainder of its 10-year structural warranty. This beautifully appointed modern townhouse presents an elegant arrangement of accommodation set across three thoughtfully planned floors. From the moment you step inside, the attention to detail and sense of light and space are immediately apparent. The welcoming entrance hall offers practical storage alongside a stylish cloakroom/WC, before opening into a contemporary kitchen/breakfast room fitted with sleek cabinetry, quality integrated appliances and ample space for casual dining. A discreetly positioned utility cupboard enhances the practicality of the home, keeping everyday essentials neatly out of sight. To the rear, the generous lounge/diner stretches across the width of the property, creating a superb living and entertaining space, flooded with natural light and seamlessly extending outdoors through double doors to the garden beyond. Ascending to the first floor reveals two excellently proportioned bedrooms, both served by a well-appointed family bathroom finished in modern tones. The second floor is entirely dedicated to a sumptuous principal suite, offering a peaceful and private sanctuary complete with ample storage and a stylish en-suite shower room, perfectly suited for modern family life or professional living.

To the rear, the property enjoys a neat and low-maintenance enclosed garden, ideal for both relaxing and entertaining. The garden is principally laid to lawn, providing a pleasant green outlook, with a paved pathway leading directly from the property to the far end of the plot. Well-defined fencing to all boundaries ensures a good level of privacy, while a useful timber shed offers practical external storage. A gravelled section adjacent to the pathway provides additional low-maintenance space, and a secure timber gate offers convenient rear access. Overall, the garden is easy to manage, well presented, and perfectly suited to modern living. To the front, a block-paved driveway provides side-by-side parking for two vehicles.

Mayors Road forms part of the popular Court de Wyck development, a thoughtfully planned collection of contemporary homes set within the picturesque village of Claverham. The area offers a welcoming community atmosphere, surrounded by open countryside and with a wealth of scenic walks on the doorstep. Claverham itself benefits from a range of local amenities, including a village store and café, while nearby Yatton provides a more comprehensive selection of shops, primary and secondary schooling, and a mainline railway station offering direct links to Bristol, Bath, and London Paddington. The development also provides easy access to the A370 and M5, ensuring straightforward connections to Bristol, Weston-super-Mare, and the surrounding region. This peaceful yet well-connected location combines the charm of rural living with modern convenience.
