John Street is a popular location, being within a short walk of the town centre with all of its associated amenities. Having been let for a number of years, this cottage is now at the stage whereby it does need some comprehensive modernisation, which is more than reflected in this attractive asking price.

The property is warmed by gas-fired central heating with uPVC double glazing and comprises a lounge and a kitchen on the ground floor, whilst on the first floor there are two bedrooms and a bathroom.

To the rear, there is a communal yard.
