Exceptional five double bedroom detached family home, constructed in 2025 by Coln Signature Homes and situated within the exclusive Summerleaze development in Churchill – 3 Dolebury View is a beautifully appointed executive home, built to the Winscombe design and offering superbly proportioned accommodation arranged over two floors. Forming part of a small development of family homes, this impressive property combines high quality contemporary finishes with a practical layout designed for modern family life. The accommodation is accessed via a generous entrance hall, providing an ideal arrival space for busy households. To the front, a private sitting room creates a comfortable retreat away from the main family space, while the bay-fronted study provides an excellent home office, ideal for those who work remotely. The crowning jewel of the home is the outstanding open plan kitchen dining family room, a wonderfully sociable space designed for day-to-day living, entertaining and bringing family together. The beautifully appointed kitchen is fitted with a range of wall and base cabinets with quartz style work surfaces over, a central island with further quartz style work surface and upstands, an inset double Belfast sink and a sliding coffee station. A range of fitted appliances further enhances the space, while two sets of bi-fold doors open directly to the rear garden, creating a lovely connection between the inside and garden during the warmer months. A useful utility room and cloakroom WC complete the ground floor. The first floor is equally impressive, with a gallery-style landing leading to five bedrooms. The principal bedroom enjoys a well-appointed en-suite bathroom with a four-piece suite, while bedroom two benefits from its own en-suite shower room. The family bathroom is also fitted with a four-piece suite and, like the en-suites, is finished to a high standard with stylish tiling and quality fittings. The remaining bedrooms are bright and well proportioned, with bedroom five currently arranged as a dressing room with fitted wardrobes, yet still offering a very usable bedroom if required. The home also benefits from strong eco credentials, including wet underfloor heating throughout, solar panels and an electric car charging point.

Outside, the property enjoys a beautifully enclosed rear garden, predominantly laid to lawn and bounded by feather-edged fencing. The garden enjoys the afternoon sun and provides an excellent space for families, summer entertaining or simply relaxing at the end of the day. Two sets of bi-fold doors from the kitchen dining family room open directly onto the garden, ensuring the outside space works naturally with the main living accommodation. To the front, the property provides off-street parking for two vehicles, while the generous double garage offers excellent additional versatility. Ideal for those wishing to park vehicles securely, the garage would also suit buyers requiring workshop space, storage or room for hobbies. The overall plot has been arranged with both practicality and enjoyment in mind, with the private garden, parking and garage facilities complementing the generous internal accommodation.

Summerleaze is a thoughtfully designed and attractive new development within Churchill, comprising just 20 homes in a leafy setting with a strong sense of space and quality.
