Summary

With an array of amenities immediately on the doorstep, including a village shop / Post Office and various takeaways to name a few, all whilst being just a short journey away from Brandon, where you will find further amenities, including various independent retailers, supermarkets and a main train line with direct links to Cambridge and Norwich.

The property itself is set back from the road and initially benefits from ample off road parking to the front and access to the double garage, which provides storage or further off road parking. Once inside, the accommodation is expansive! With the bungalow having been extended throughout the years, there is a lot to see! Coming in to a welcoming entrance hall, which branches off to both the master bedroom, which benefits from an en-suite, and the living room, which overlooks the lawned front garden, two further good sized bedrooms, family bathroom, open plan kitchen/dining area and utility room. The kitchen/dining area opens out through patio doors to the expansive rear garden, touching almost 1 acre! Part of the refurbishments to this bungalow was the loft conversion, which has added a further fourth bedroom and ample access to the eaves storage space.

As mentioned, the property sits on a large plot of land so there is ample opportunity for the new owner to mould and adapt to suit many needs!
