## SITUATION

Bakers Cottages is located on Longmeadow Road in the highly sought-after estuary village of Lympstone. This vibrant and historic village offers a range of local amenities including a well-regarded primary school, post office, village store, pubs, and a train station providing direct links to Exeter. The Exe Estuary Trail, ideal for walking and cycling, runs nearby, while the coastal town of Exmouth is just a short drive away, offering a wider range of shops, leisure facilities, and sandy beaches.

## ACCOMMODATION

Bakers Cottages is an attractive terrace of Grade II Listed houses dating back to the early 17th Century. Located a short walk into the centre of this highly desirable estuary village, number 2 is a one bedroom cottage on the market for the first time in many years. The main living space is a lovely sitting room with a log effect gas stove set in a large inglenook fire place and there are a number of exposed beams. A window looks to the front and there is a spiral staircase rising to the first floor. Leading off the sitting room is a galley kitchen with a gas hob, sink and a fridge freezer is located in the alcove by the fireplace.

On the first floor, the staircase opens into the bedroom which is a good sized double with windows to the front and rear and there is an ensuite with bath, W.C and hand wash basin.

### OUTSIDE

One of the features of the cottage is the garden which is a very good size with a Southerly aspect and is bordered by an attractive spring fed stream at the bottom. Leading off the house is a paved seating area and a detached, oak framed garden studio that provides a very useful additional living space. Currently used as a summer house the garden studio has power and water and could be used as an occasional second bedroom or a home office and there is plumbing and space for a washing machine and tumble dryer. French doors open into the bottom section of garden and an attractive decked seating area.

### AGENTS NOTE

The vendor advises that 3 small stems of Japanese Knotweed were found at the bottom of the garden in Spring 2026. A survey was carried out by Southwest Knotweed Ltd in April and the surveyor noted that the Japanese Knotweed presents no immediate threat to the main property due to the distance. A 10-year Insurance backed guarantee and treatment program has been put in place to ensure the knotweed is dealt with correctly.
