Situation

Moorlands is situated in the quiet and picturesque hamlet of Gammaton, with no near neighbours, surrounded by open countryside and within close proximity of the coast. Focused around its historic quay and located on the banks of the River Torridge, the port and market town of Bideford is less than 3 miles away. The town offers a comprehensive range of facilities and amenities within walking distance, including; independent/artisan shops, banks, pubs/restaurants/cafes, schooling (public and private), popular pannier market, several supermarkets and a retail complex. The River Torridge flows through the heart of the town, with various vessels docking daily at 'The Quay', including the 'MS Oldenburg' (tide dependent), the passenger ferry to Lundy Island. The 'Tarka Trail' affords superb long walks and cycle rides through beautiful scenery.

Local coastal villages include: Instow (5 miles), with a glorious, sandy beach. Appledore (6 miles), a picturesque fishing village. Westward Ho! (5 miles) a small town with a 3-mile safe, sandy beach adjoining Northam Burrows Country Park.

The A39/North Devon Link Road (1 mile) provides brisk passage in/out of the area, to the regional centre of Barnstaple (11 miles) and M5 motorway Tiverton Parkway train station (London Paddington 1h 57m).
