Occupying a pleasant cul de sac position within one of the village's sought after residential locations, 7 Garstons is a deceptively spacious and much loved three bedroom detached bungalow that has been thoughtfully extended to create a versatile and comfortable home. Conveniently situated within easy, level walking distance of the village centre and its range of amenities, the property offers an appealing opportunity for those seeking single storey living in a village community.

The accommodation is well balanced and flows effortlessly throughout. Upon entering, a welcoming entrance hall provides access to the principal rooms. At the heart of the home is the impressive open plan living and dining space, a light filled room enjoying a dual aspect and attractive views over the rear garden. Generous proportions allow ample space for both relaxation and formal dining, while a feature fireplace creates a warm and inviting focal point.

Adjoining the living area is the conservatory, a delightful additional reception space that provides a seamless connection with the garden and offers year round enjoyment. The kitchen is fitted with a comprehensive range of wall and base units, complemented by a fitted Zanussi electric oven and hob, with space for further appliances. Beyond the kitchen, a practical utility room provides additional storage and work surface space, together with plumbing for a washing machine and direct access to the rear garden.

The bedroom accommodation comprises three well proportioned rooms. Two are comfortable doubles, while the third bedroom offers flexibility as a guest room, study or home office. These rooms are served by a well appointed wet room, designed with practicality and ease of use in mind.

Externally, the property continues to impress. To the front, a block paved driveway provides ample off road parking for several vehicles and leads to the attached single garage. The rear garden has been attractively landscaped to create a private and tranquil outdoor environment. A generous paved terrace provides the ideal setting for outdoor dining and entertaining, whilst mature planting and established borders offer colour and interest throughout the seasons. A raised west facing seating area enjoys the afternoon and evening sun, making it a perfect place to unwind and enjoy the warmer months.

Wrington is widely regarded as one of North Somerset's most desirable villages, offering an excellent range of local amenities including independent shops, a chemist, post office, veterinary surgeries and a variety of well supported clubs and societies. The village benefits from a popular primary school and falls within the catchment for Churchill Community School. Bristol and the motorway network are easily accessible via the A38 and A370, while the surrounding countryside including the Mendip Hills Area of Outstanding Natural Beauty, Chew Valley Lake and Blagdon Lake provides exceptional opportunities for walking, sailing, fishing and outdoor pursuits.

Offering spacious accommodation, a desirable village location and excellent scope for a purchaser to personalise to their own tastes, 7 Garstons represents a wonderful opportunity to acquire a well positioned bungalow in an established and highly regarded setting.
