SITUATION

Raleigh Manor occupies an enviable elevated setting in the heart of the Exmoor National Park enjoying some of the finest views down the Avill Valley area with glimpses of the north Somerset coast and the Bristol Channel. The house is positioned at the end of a long carriage drive which runs through its own land. It is ideally located to take advantage of the excellent opportunities to walk and ride on the open slopes of the moor towards Dunkery Beacon and the lovely river valley of the Avill, famous for its snowdrops. The nearby village of Wheddon Cross has a church, primary school, shop with post office, garage, inn, hairdresser as well as a number of small businesses.

Wheddon Cross is a short distance from Dunster, a medieval market town, where further village amenities are at hand and, of course, the famous Dunster Castle and Yarn Market. Dunster provides the nearest beach. The well known Victorian coastal resort of Minehead is also within easy reach, and offers a wide range of attractions including the beach, promenade, a small picturesque harbour, beautiful public gardens and excellent shopping and schooling. There is also a hospital as well as the Church of St George.

The county town of Taunton, which is approximately 24 miles away, has extensive retail and commercial facilities, together with access to the M5 and a main line station with fast trains to London and there are three independent schools, a theatre and the Somerset County Cricket Ground.
