Located on a well-regarded industrial estate with excellent access to the M5 motorway and a range of nearby amenities, this light industrial unit offers a versatile workspace suitable for a variety of business operations. Extending to approximately 4,940 sq ft, the property provides a substantial ground floor area incorporating a reception, office, kitchenette and two cloakrooms, creating an effective balance between operational and administrative space. A first floor mezzanine adds a further 4,000 sq ft of space.

Unit 6 is prominently positioned towards the entrance of the estate in an end-terrace position, benefitting from additional ground floor windows that enhance natural light throughout. The mezzanine level, served by two separate staircases, offers flexibility for a range of uses. The unit also enjoys strong visibility from the motorway approach road leading from Clevedon towards Junction 20, providing excellent exposure to passing traffic.

Access is via a folding shutter door, facilitating loading and deliveries, with a rear fire escape providing additional safety provision. Internally, the property is equipped with basic kitchen and WC facilities.

Externally, the unit benefits from a generous frontage with ample on-site parking for staff and visitors. Overall, this is a functional and adaptable unit, well suited to storage, workshop or light industrial use, in a highly accessible and prominent location.
