About the property

This three-bedroom mid-terrace property presents an excellent opportunity for buyers seeking a project, offered to the market with the added benefit of no onward chain. Situated in a convenient residential location, the property provides generous internal space and plenty of potential to add value through refurbishment and modernisation.

The accommodation comprises an entrance hallway leading through to a spacious lounge and a separate dining room, both offering good proportions and natural light. The kitchen is located to the rear and, while in need of updating, offers scope to be reconfigured to suit modern living requirements, with access out to the enclosed rear garden.

To the first floor, there are three well-sized bedrooms along with a family bathroom. The property would benefit from a full programme of improvement works throughout, making it ideal for investors, developers, or buyers looking to create a home tailored to their own tastes.

Externally, the rear garden provides a private outdoor space with potential for landscaping, while on-street parking is available to the front. Additional benefits include double glazing (where fitted) and a traditional layout that lends itself well to renovation.

Early viewing is recommended to fully appreciate the potential on offer with this realistically priced home.
