DESCRIPTION

Hope Cottage represents an outstanding example of an exceptionally well-presented Grade II listed character cottage, sympathetically improved in recent years to create a spacious and well-appointed family home. Believed to date in part from the 16th century, with later extensions added most likely in the early Victorian period, the property retains a wealth of period charm and original features including Inglenook fireplaces with bread ovens, exposed beams, original doors, and sections of exposed floorboards. Externally there is ample parking, private gardens, useful outbuildings and a superb 'Vine Room'. This is certainly a property that needs to be viewed to be fully appreciated.

ACCOMMODATION

A welcoming entrance hall with engineered oak flooring, understairs WC and stairs to the First Floor. This leads into the main reception spaces. The living room and generously proportioned sitting room both feature characterful Inglenook fireplaces with wood burners and exposed beams. The well-appointed kitchen/dining room provides exposed stone, tiled flooring, a range of fitted units, oil fired AGA, Belfast sink and Smeg electric oven with gas hob, a fine example of blending modern fittings with traditional style. Completing the ground floor is a separate entrance porch with space for coats, boots etc. The First Floor is arranged around a spacious landing with vaulted ceilings which also serves as a useful office area. There are three well-proportioned bedrooms, each full of character, together with a beautifully presented family bathroom which includes wooden flooring, roll top bath, WC, sink and shower enclosure.

OUTSIDE

The cottage is approached via a private gated entrance, opening onto a large gravelled driveway that provides ample parking and turning space. To the side is a detached stone garage/workshop, summerhouse, the 'pod' which is a freestanding seating area and a superb versatile detached Vine Room with vaulted ceiling and an abundance of character - perfect for entertaining or Al fresco dining. Adjoining the cottage are a utility room with plumbing for white goods, fitted units and sink, log store, and an outside cloakroom.
