An Exclusive Collection of Four Executive Detached Homes

A rare opportunity to secure one of just four individually designed, executive detached family homes within this bespoke and thoughtfully planned development.

Built with a clear focus on quality, space and modern family living, these homes offer an exceptional combination of contemporary design and practical layout — perfect for growing families who don't want to compromise.

From the generous room proportions to the high specification finishes throughout, every detail has been carefully considered. Each property benefits from ample off-road parking, a private enclosed garden and an electric vehicle charging point — delivering both convenience and future-ready living.

Arranged over three floors, the layout has been designed with flexibility in mind. The ground floor features a spacious formal lounge alongside an impressive open-plan dining kitchen — the true heart of the home — ideal for entertaining or everyday family life. A separate utility room and downstairs WC add further practicality. Contemporary kitchens are individually designed for the development and come complete with integrated appliances as standard.

To the first floor are three well-proportioned bedrooms, two of which enjoy ensuite shower rooms, together with a beautifully finished family bathroom. The second floor is dedicated to a stunning principal suite — offering a private retreat with stylish ensuite and excellent storage space.

Set back from the road within a quiet enclave, the development offers a real sense of privacy while remaining ideally positioned for well-regarded schools, excellent transport links and a range of local amenities.

New build homes of this calibre, in such a limited release, are rarely available. Early viewing is strongly recommended — contact the team at William H Brown today to arrange your appointment.

We require all buyers to comply with the Anti Money Laundering regulations and will send you a link through via your mobile phone to adhere to the regulations. This requires you to have an in-date passport or driving licence. The solicitors and mortgage advisors will also ask you for these documents so have them out ready.
