DESCRIPTION

Offering an appealing blend of character and comfort, 4 Brooking Barn is a delightful barn conversion providing light-filled and well-proportioned accommodation throughout.

Converted in the 1970s from a 19th century barn, the property retains attractive stone elevations and a distinctive façade, whilst internally presenting beautifully maintained living spaces ideally suited to modern life. A particular highlight is the generous sitting room with wood burning stove and the stylish shaker kitchen/dining room opening directly onto the rear garden.

The property also benefits from private front and rear gardens, a single garage and allocated parking.

ACCOMMODATION

A wooden entrance door opens into the hallway, where original parquet flooring creates an immediate sense of character. From here, a door leads into the spacious sitting room, enjoying a large window overlooking the front garden and an inset wood burning stove.

The kitchen/dining room is fitted with an attractive range of shaker-style units with wooden work surfaces and a Belfast sink.

Integrated appliances include a double oven, induction hob and fridge/freezer. There is ample space for a dining table and seating area, together with useful understairs storage. French doors open onto the rear patio.

On the first floor are three well-proportioned double bedrooms. The family bathroom is fitted with a white suite comprising bath with electric shower over, wash basin and WC. Loft access is available from the landing.

OUTSIDE

The property is approached via a wooden gate opening onto a stone pathway, bordered by lawn and established hedging, leading to the solid timber entrance door set within the attractive stone façade. The front garden is mainly laid to lawn with mature planting, providing a pleasant outlook and a degree of privacy.

To the rear, a paved terrace adjoins the property with steps rising to a gravelled terrace and upper seating area with timber retaining sleepers and natural stone walling, all enjoying a sunny and private aspect. A timber shed provides useful storage.

A gate to the left-hand side of the terrace provides access to the garage and parking
