9 Holway Hill

### SITUATION

Holway Hill is a highly sought-after address, appreciated for its tucked-away position and the attractive terrace of characterful Victorian properties its known for. Unusually, the terrace enjoys views over trees and green space to both the front and rear. Taunton offers a wide range of shopping, education and retail facilities including many restaurants, theatre and excellent transport links, including mainline rail services to London Paddington and access to the M5 at Junction 25. Kings College, Richard Huish College and St George's Catholic Primary School as well as other schools are all within walking distance.

### ACCOMMODATION

The property is approached via an appealing front garden, providing a pleasant seating area to enjoy the sun. The property has been well maintained by the current owner with the front of the property having been recently repainted. Internally, the accommodation is well-proportioned and retains a number of original features. To the front is a charming dining room with a bay window and feature fireplace, whilst beyond lies a central sitting room with a beautifully restored open fireplace and useful understairs storage. Glazed doors lead through to a light and airy conservatory, enjoying views over the garden and with French doors opening onto the outside space.

The kitchen is fitted with a range of wall and base units, tiled flooring, and space for a range-style cooker, along with a sink and drainer. An opening leads through to a practical utility room, with a

door to the rear garden. On the first floor, a spacious landing serves two well-proportioned double bedrooms and a generous family bathroom, fitted with a bath, separate shower cubicle, wash basin and WC.

### OUTSIDE

The rear garden is arranged over tiers, with steps rising to a patio seating area and a small section of lawn bordered by a selection of shrubs and bushes. A garden shed provides additional storage.

A particular feature of the property is the additional garden opposite the terrace, where there is a private driveway providing off-road parking for two vehicles, which behind lies a larger garden attractively laid to lawn with mature trees, a shaded patio and a pathway shared with one neighbouring property.
