Versatile detached family home occupying a generous position Downside, on the fringes of Backwell – Greylands is a deceptively spacious family home offering a wonderfully flexible arrangement of accommodation across two floors. The property enjoys a welcoming feel from the moment you step through the front door, with a central entrance hall providing access to the principal rooms. To the rear, a spacious dining room provides an ideal setting for family meals and entertaining, flowing naturally into the sitting room to create a sociable and versatile living environment. The sitting room enjoys a pleasant outlook across the garden and opens directly to the outside, allowing the garden to become a natural extension of the home during the warmer months. The kitchen is positioned to the rear of the property and is fitted with a range of wall and base cabinets with work surfaces over. A particularly appealing feature of Greylands is the flexibility of the accommodation, with a ground floor bedroom positioned alongside a shower room, creating an excellent opportunity for multi-generational living, guest accommodation or those seeking single-level living options. A separate study completes the ground floor and provides an ideal space for home working, hobbies or a playroom. To the first floor, the landing leads to three further bedrooms, all enjoying comfortable proportions and excellent natural light. Completing the first floor is a family bathroom fitted with a three-piece suite including bath, wash hand basin and WC.

Outside, the property enjoys mature gardens that complement the character and proportions of the house beautifully. The rear garden offers a pleasant combination of lawn and patio areas, creating flexible spaces for outdoor dining, entertaining or simply sitting back and enjoying the surroundings. Established planting helps create privacy and interest throughout the seasons, while the overall plot provides ample space for keen gardeners and families alike. To the front, the property benefits from driveway parking together with access to the garage, which offers useful storage, workshop potential or secure parking if required. The combination of mature gardens, generous outside space and practical parking arrangements enhances the appeal of what is already a versatile family home.

Downside is a well-established area on the edge of Backwell, conveniently positioned for access to both village amenities and transport links. Nearby Backwell offers a range of everyday facilities including shops, public houses, a health centre and well-regarded schooling, while Backwell and Nailsea mainline railway station provides direct services to Bristol, Bath and London. The surrounding countryside offers plenty of opportunities for walking and outdoor recreation, with excellent road links via the A38, A370 and M5 also within easy reach. Combining flexible accommodation, mature gardens and a convenient North Somerset location, Greylands offers an excellent opportunity for buyers seeking a spacious detached home with scope to make their own.
