PROPERTY SUMMARY

Situated in a popular residential cul-de-sac, this well proportioned three bedroom end of terrace family home occupies a generous plot, offering exceptional outdoor space and significant scope for extension (subject to the usual planning permissions).

The ground floor comprises a welcoming entrance hallway, a spacious reception room, separate dining room, fitted kitchen, downstairs WC & bright conservatory overlooking the impressive rear garden. Upstairs are three well proportioned bedrooms and a family bathroom.

Externally, the property truly stands out. The substantial wrap round garden provides fantastic potential for future enlargement, with ample space for a sizeable side extension, rear extension or a double storey extension subject to the necessary planning consent. Being end of terrace, the property benefits from a much larger plot than many neighbouring homes. The existing conservatory also offers an opportunity to create a contemporary open plan kitchen & family space.

The property further benefits from a private driveway together with two additional allocated parking spaces, providing off street parking for up to three vehicles, an increasingly desirable future for families and commuters alike.

Offered to the market with no onward chain, this is an ideal purchase for first time buyers and investors alike.
