THE PROPERTY

Having undergone extensive renovation, Sunnyside Cottage beautifully combines the timeless charm of a traditional Cornish cottage with the space, comfort, and flow desired for modern family living. Rich in character throughout, the property retains many original features, including deep recessed windows with charming window seats, exposed ceiling beams, and a magnificent inglenook fireplace that forms the heart of the home. These period details are perfectly complemented by tasteful contemporary improvements, creating a warm and inviting atmosphere throughout.

The accommodation is both spacious and practical, thoughtfully arranged to maximise natural light and enjoyment of the surrounding setting. At the heart of the home is a delightful country-style kitchen, featuring stable doors that open directly onto the gardens, seamlessly connecting indoor and outdoor living. To the rear is a useful utility room providing additional storage and laundry space. The generous sitting room offers an ideal space for relaxing and entertaining, centred around a wood-burning stove that enhances the cottage's cosy and welcoming feel.

To the first floor, the property offers three well-proportioned bedrooms together with a family bathroom. Each bedroom enjoys a peaceful outlook across the gardens and towards the surrounding woodland beyond, further enhancing the cottage's tranquil and secluded setting. Throughout the property, careful attention has been paid to preserving its authentic character while creating a comfortable and versatile

OUTSIDE

Set within just over half an acre, the property enjoys extensive lawned gardens — a rare feature within the wooded valley of Lamorna. Thoughtfully landscaped, the grounds have been carefully designed to create a variety of spaces for relaxing and entertaining, while retaining the charm and character of the natural surroundings and beautifully planted gardens.

The gardens provide an exceptional sense of privacy and tranquillity, with mature planting, established borders, and open lawned areas combining to create a wonderful outdoor environment. A large additional area offers excellent potential for further parking or the construction of an outbuilding suitable for guest accommodation, a studio, or home office, subject to the necessary consents.

Elevated terraces to the side of the garden enjoy attractive views across the grounds and towards the surrounding woodland, creating delightful spaces for quiet relaxation. These areas would also lend themselves perfectly to the creation of a country kitchen garden or vegetable plot, should a purchaser desire.
