Upstairs, the property continues to impress with three well-proportioned bedrooms. The principal bedroom is an exceptionally generous double and benefits from its own en-suite shower room.

Bedroom two is another spacious double, also featuring an en-suite, making it perfect for guests or older children, while bedroom three is served by the separate family bathroom. Having three bathrooms (including two en-suites) is an uncommon feature for a three-bedroom home and adds to the property's appeal.

The property is fully double glazed throughout and has also benefited from the installation of a new boiler and hot water cylinder within the last five years, providing buyers with added peace of mind for these key home improvements.

Externally, the property occupies a prominent corner position with a private west-facing rear garden, providing an ideal setting to enjoy the afternoon and evening sunshine. A driveway provides off-road parking and leads to the detached garage, offering additional storage or secure parking.

While the property would benefit from updating throughout, it offers enormous potential for a purchaser to modernise and personalise a home in one of Fleet's most sought-after residential locations. Elvetham Heath is renowned for its excellent local schools, nature reserve, supermarket, public house and community amenities, whilst Fleet town centre and the mainline railway station provide convenient access to London Waterloo, making this an ideal location for commuters and families alike.
