SITUATION

Developed by Acorn Property Group - Established in 1995, Acorn is an independent development and regeneration specialist that has, for 30 years, successfully created a range of residential-led refurbishment and new build schemes.

Rolle Gardens in Exmouth is an exclusive collection of homes, featuring carefully designed new-build properties, centred around the conversion of the beautiful Grade II-listed Eldin House.

Located on the picturesque east coast of Devon, where the River Exe meets the sea, Exmouth is one of the county's most sought-after coastal towns. Positioned at the gateway to the magnificent World Heritage Jurassic Coast, the town is known for its beautiful two-mile stretch of golden sand — the longest seafront in Devon and Cornwall.

The apartment is conveniently placed for enjoying everything Exmouth has to offer, from the beach and seafront to the town centre's shops, cafés, restaurants and everyday amenities. Whether you are looking for relaxed coastal walks, easy access to local facilities or a low-maintenance home in a well-connected seaside setting, this apartment offers an exceptional opportunity.
