THE PROPERTY

Coming to the market for the first time in over 30 years, Mill Cottage is a three-bedroom detached cottage set in a generous plot with off-road parking and detached double garage. The property is in need of renovation and updating, with the option of enlarging (STNPP) and therefore is a fantastic opportunity to enhance and add value.

The property is entered via a storm porch leading into the entrance hall. To the left of the hall a door leads through to the sitting room, which has a large bay window to the front and a feature fireplace to one end. From here you enter into the separate double aspect dining room with double doors leading out onto the garden.

From the dining room, you enter into the kitchen with matching base and wall mounted units, sink and drainer, gas hob and window to rear. Thereafter, there is a separate utility room housing the boiler and further sink and drainer.

A door from the kitchen leads you back into the entrance hall where there is access to a separate study/home office, large storage cupboard and ground floor cloakroom.

From the hall a turning staircase leads you to the first-floor landing with large ornate arched window to the side and gallery window to the front. The landing benefits from built-in storage and eave cupboards.

To the far end of the landing there is access to the principal bedroom with ensuite bathroom. There is a further double bedroom, single bedroom and family bathroom that completes the first-floor accommodation.

OUTSIDE

Outside the property is approached via a private entrance leading to an off-road parking area and detached double garage.

Thereafter the garden is a blank canvass, which is ideal for cutting back and re-imagined as there is a lot of ground to be reclaimed and redesigned for the next incumbents.
