The property is entered via a canopy porch with half-glazed timber door opening into the entrance hall, where the staircase rises to the first floor. The generous lounge is a particularly appealing reception room, featuring a bay window to the front, original timber floorboards and an attractive wooden fire surround incorporating a Victorian-style tiled and cast iron fireplace with fitted gas flame fire.

To the rear, the dining room provides an excellent space for entertaining and benefits from double-opening patio doors leading directly onto the garden, together with a built-in cupboard to the alcove. The adjoining fitted kitchen is equipped with a range of Shaker-style wall and base units, work surfaces, white ceramic sink, Range-style cooker with twin ovens and ceramic hob, brushed steel splashback and large extractor canopy. There is space for additional appliances, tiled flooring and a large under-stairs storage cupboard. A side door provides access to the garden, while the adjoining utility/cloakroom incorporates a WC, wash basin, appliance space and wall-mounted central heating boiler.

The first floor provides three well-proportioned bedrooms, with Bedroom One enjoying a front aspect, Bedroom Two overlooking the rear and Bedroom Three having a side aspect. The spacious family bathroom is fitted with a four-piece white suite comprising WC, large vanity unit with twin wash basins, bath and separate shower cubicle, complemented by ceramic tiled flooring and splashbacks, side and rear windows and a chrome heated towel rail.

A study to the first floor provides access to a further staircase leading to the attic floor, where the fourth bedroom can be found. This useful additional bedroom has a rear-facing roof light, radiator and eaves storage, making it an ideal guest bedroom, teenager's room or home-working space.

Externally, the property benefits from a walled front garden with an attractive black and red tiled pathway leading to the entrance and a gravelled area. A shared entry gives access to the enclosed walled rear garden, which is predominantly paved and benefits from outside lighting.
