SITUATION

Townsend Farmhouse is located on the edge of this sought after village and enjoys fabulous views over its' own land and surrounding countryside towards Poyntington Hill. This attractive small village comprises many traditional stone houses, together with a parish church. The village lies approximately 3 miles north of the Abbey town of Sherborne, which is renowned for its private schools, highly regarded state secondary school and a range of independant shops, two supermarkets and an excellent range of recreational facilities, together a mainline rail link to Exeter and London Waterloo. The A303 is also readily accessible together with Castle Cary train staion being within 12 miles, which provides a mainline rail link to London Paddington.

DESCRIPTION

Townsend Farmhouse is a modern stone farmhouse which was constructed around 1990 and is contained beneath a tiled roof. The property benefits from oil fired central heating, uPVC double glazed windows and doors throughout, together with a large number of solar panels, 17 in total on the main house and 10 on the studio which also benefits from 2 batteries. The accommodation is light and airy and is set within attractive gardens approached via a sweeping driveway with an excellent range of outbuilding including a substantial single storey studio and adjoining field with pond in all extending to approximately 2.38 acres. This comfortable house benefits from three reception rooms, farmhouse style kitchen with Aga, together with an adjoining utility room and cloakroom, all on the ground floor and on the first floor, three double bedrooms and a family bathroom.

ACCOMMODATION

Glazed french doors open into the entrance porch with a glazed door to the hallway with a staircase rising to the first floor with a large cupboard under. Sitting room with views from two aspects, recessed fireplace with inset log burner with adjoining TV display area and cupboards under. Double doors open into the adjoining study which enjoys views from two aspects including glazed french doors to rear. On the opposite side of the hallway can be found the farmhouse kitchen which comprises; two bowl sink with mixer tap over together with adjoining granite drainer and worktops with an excellent range of floor and wall mounted cupboards and drawers. Electric oven and microwave, along with a recessed electric Aga. Space for dishwasher and integrated fridge and freezer, island unit/breakfast bar along with Travertine tiled flooring and views from two aspects. Doorway leads into the inner hallway with glazed door to front and useful store cupboard. Utility room comprising single drainer stainless steel sink with mixer taps over and adjoining worktop with space and plumbing beneath for a washing machine and tumble dryer, built in cupboard with houses the Worcester oil fired boiler. Glazed door to the rear. Adjoining cloakroom with low level WC and wash hand basin. Dining room with views from two aspects, together with glazed door to the rear. Built in cupboard and trap access to the roof void which houses the inverter for the house panels which benefits from a feed-in tariff.

On the first floor is a spacious landing with views from two aspects, trap access to the roof void, built in bookshelves and airing cupboard housing the pressurised hot water cylinder and slatted shelving. Bedroom one enjoys views from three aspects together with fitted wardrobes. Bedroom two has wonderful views from two aspects, together with fitted wardrobe and storage cupboard. Bedroom three enjoys fabulous views over the rear garden and field along with fitted wardrobes and bookshelves. Family bathroom comprising; bath, large shower cubicle, low level WC and vanity unit with illuminated mirror over.

OUTSIDE

The farmhouse is set well back from the village lane and is approached through a pair of timber gates opening onto a gravelled driveway which sweeps around to the house. Here there can be found extensive parking and turning, along with a useful stone and tiled studio, approached through glazed french doors and is connected with power and light and has a window and door to the side. Here there can also be found the inverters for the 10 solar panels located on the roof along with two batteries.

To the front of the property are wonderful gardens, laid to lawn with an abundance of shrubs, bushes and trees, together with an area of hardstanding to the side of the studio. Stable and tack room, connected with light and power, beyond which is a timber barn/mower shed, also connected with power and light. To the rear of the property is a large paved and gravelled sun terrace, along with outside courtesy light, cold water tap and electric sockets. The adjoining rear garden is laid mainly to lawn and is protected by a well clipped hedge. Also within the garden is a useful greenhouse and poly-tunnel with connected power. On the far side of the hedge is a kitchen garden with raised beds, together with the adjoining field which is on a gentle northerly slope, protected by a selection of natural hedgerows, post and wire and post and rail fencing. Within the field is a small orchard, fruit cage and pond. The paddock is 1.7 acres, making the total area 2.38 acres
