GUIDE PRICE £800,000 - £850,000

Set within the beautiful Stanmer Park is this modern three-storey townhouse attached to the west wing of the Grade I listed Stanmer House. Hidden from view, the property sits around a central communal courtyard with two allocated parking spaces within the grounds behind electric gates. The property connects directly with nature, being situated within The South Downs National Park and surrounded by 5000 hectares of parkland. Built in 2013, the luxurious home mirrors the sophisticated style of the original building with a contemporary twist internally. The flexible accommodation is versatile, being arranged over three levels, which can allow for multi-generational living due to the layout. Entering the home on the ground floor, you are greeted with a spacious, wide hallway which accesses two generous rooms, which are presently used as a double bedroom and separate living room. Conveniently, there is also a large shower/wet room/WC fitted with modern white sanitaryware. Rising up the stairs to the first floor, you find the main living room with high ceilings and a large period-style window with shutters letting in natural light complemented by white walls and wooden flooring. The modern kitchen is equipped with high-end appliances and fitted units with plenty of storage and an expanse of quartz worktops, along with a sit-up breakfast bar. From here, stairs rise to the second floor where the sumptuous main bedroom, ensuite bathroom and dressing room can be found. The herringbone flooring and white walls set the tone and allow you to fully immerse in this luxury suite. Outside, manicured communal spaces can be found, perfect for socialising with friends and neighbours. Exclusive to Spencer & Leigh, a viewing of this lovely home is highly recommended.

Stanmer Park is located in the quaint rural village of Stanmer which is set in the South Downs National Park. On the outskirts of Brighton this property offers easy access to the universities, Falmer Stadium and sporting facilities and the South Downs. Travel networks in and out of the city are also easily available.
