DESCRIPTION

A 3 bedroom detached house which has been extensively refurbished throughout both inside and out, to create a comfortable family home. Improvements to the property include full rewiring, LPG central heating installed and a fitted kitchen to name a few (all in 2020) whilst having been further enhanced over the last few year with extensive double glazed windows, external cladding and insulation, flat roof replacements and a new entrance porch. The property benefits from ample off road parking, an integral garage, front and rear gardens with countryside views.

ACCOMMODATION

The accommodation is illustrated on the floorplan overleaf and briefly comprises an entrance porch into the main hallway, with a ground floor cloakroom with W/C and sink. The dual aspect sitting room has a woodburning stove within a stone fireplace and large window overlooking the front garden. The kitchen is fitted with contemporary, contrasting units with a ceramic sink, a wall mounted extractor fan with space for a Range Style cooker (available by separate negotiation) and additional space and plumbing for undercounter appliances. There is a serving hatch through to the dining room which has a window to the side. Via an entrance from the dining room is the versatile ground floor double bedroom with a woodburning stove, making it a useful space depending on the needs. A door from the kitchen enters into the utility room with work surfaces, wall mounted units, a sink with space and plumbing for washing machine and a door to the rear garden. Another door leads to the garage which has power and light connected.

Stairs to the first floor open to the landing, with 2 double bedrooms both with useful eave storage. The family bathroom has part tiled walls, with a bath and shower over, sink and W/C. The property to the rear also offers space and great potential to extend the accommodation, subject to the necessary planning consents (STP).

Please note that the property is also available fully furnished by separate negotiation.

There is a level area of lawn with the sunken LPG tank, a flower bed currently laid to gravel and a feature stone wall as the front boundary.
