DESCRIPTION

6 Kings Tor is an attractive modern detached home providing spacious and well-balanced accommodation arranged over two floors. The property offers a generous sitting room, kitchen/dining room, utility room and three double bedrooms, including a principal bedroom with an en suite and walk-in wardrobe area. Outside is an attractively planted rear garden, useful summer house/home office, garage and driveway parking.

ACCOMMODATION

The front door opens into a spacious entrance hall, with stairs rising to the first floor and access to the principal ground-floor rooms. To the right is the sitting room, a particularly generous and light reception room with sash-style windows to the front and further windows overlooking the rear garden. A useful understairs cupboard provides additional storage. A spacious cloakroom/WC is positioned beside the staircase. To the left of the entrance hall is the kitchen/dining room, which provides ample space for a dining table and has French doors opening directly onto the patio and rear garden. Two sash-style windows to the front allow plenty of natural light. The kitchen is fitted with a wide range of cupboards, cabinets and work surfaces, together with an integrated dishwasher and oven, four-ring gas hob and extractor above. There is also space for a fridge/freezer. A door leads into the adjoining utility room, which has a sink, space for a washing machine and tumble dryer and a cupboard housing the boiler. A rear door provides direct access to the garden. On the first floor, the landing provides access to three good-sized double bedrooms and a useful linen cupboard. The principal bedroom is a generous room with a walk-in wardrobe area and an adjoining en suite shower room. The remaining bedrooms are served by the tastefully decorated family bathroom, which is fitted with a bath and separate shower.

OUTSIDE

The property benefits from a single garage, with a parking space immediately in front and a door providing direct access between the garage and rear garden. A gate between the house and garage leads to the driveway, where there is an electric vehicle charging point. The rear garden is attractively landscaped and incorporates a paved patio, lawn and pathway running around the rear of the house. The boundaries are well planted with a variety of mature shrubs and plants, providing colour and interest. There is also an ornamental pond and a useful timber summer house/home office. A further patio and seating area extends around the side of the house and provides a particularly sheltered suntrap.
