

Vincent's Road, Kingsbridge
Kingsbridge

£300,000

The Property:

The accommodation begins with an entrance hallway with stairs leading to the first floor and understairs cupboard for storage. The modern fitted kitchen provides a good range of storage and worktop space together with space and plumbing for a washing machine and with an electric oven with extractor over.

To the rear is the spacious living and dining room, which forms the heart of the home. A contemporary media wall provides a stylish focal point, while the log burner is a particularly welcome addition during the colder months. French doors open directly onto the rear garden, bringing plenty of natural light into the room and providing an easy connection with the outside space.

Upstairs are two good-sized double bedrooms. The principal bedroom is a particularly generous and bright room with built in wardrobes, while the second bedroom also benefits from useful built-in storage.

The bathroom has been attractively updated with a modern suite of bath with shower over, WC and basin with contemporary tiles.

Outside, the tiered rear garden provides space to sit out and enjoy the sunshine, with an attractive elevated outlook across the town and towards the estuary in the distance. To the front is a lawned garden with a pathway leading to the property.

The house also benefits from two allocated parking spaces.

Well presented throughout and offered with no onward chain, 78 Vincents Road is an excellent opportunity for first-time buyers looking for a home they can simply move into and enjoy, while also offering plenty of appeal to those looking to downsize or for a convenient investment property.
