DESCRIPTION

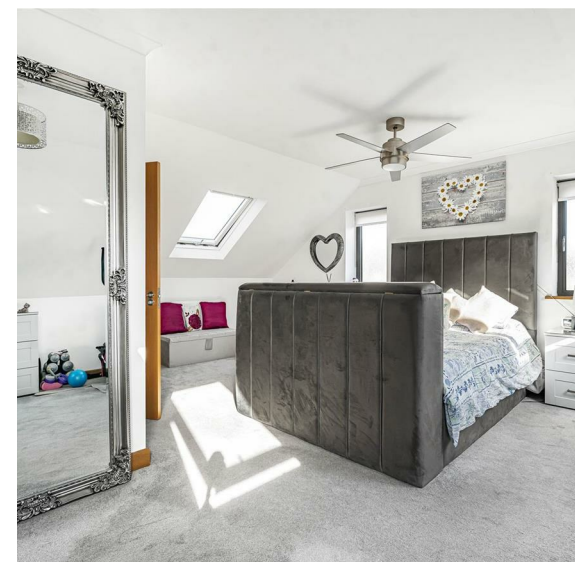

Completed in 2021 by the current owners, this beautifully presented three-bedroom detached home offers contemporary accommodation finished to an exceptional standard throughout. Flanked by a historic stone wall offering excellent security, a sliding electric gate opens onto a generous driveway providing ample parking alongside a detached double garage. An enclosed courtyard garden offers complete privacy with attractive southerly views across the valley. The property also affords a generous basement level which has been fitted out to a very high standard and could be utilised as additional accommodation space subject to the necessary permissions and consents.

ACCOMMODATION

Entering through the front door you are welcomed by a central hallway with cloakroom. The impressive proportions, quality of finish, and abundance of natural light are immediately apparent. The triple-aspect kitchen/breakfast room features patio doors opening onto the courtyard garden and a door leading to a covered porch. The kitchen is fitted with a range of contemporary gloss-fronted units, Quartz worktops, an Oak top central island with seating, and a selection of integrated appliances, including a wine fridge. The expansive open-plan living area is perfectly suited for entertaining. A contemporary inset wood-burning stove creates an attractive focal point within the triple-aspect sitting area and the dining space enjoys bi-fold doors to the courtyard garden and a large roof lantern that floods the room with natural light.

A staircase with glass balustrading rises to the first-floor landing, where Velux windows provide further natural light. The principal bedroom is generously proportioned and benefits from fitted wardrobes and an en-suite shower room. There are two further double bedrooms on this floor, together with a luxurious fully tiled family bathroom.

Accessed via steps to the rear of the property, the basement level provides a substantial and versatile space, currently arranged as an ancillary accommodation comprising an open-plan kitchen/living area, bedroom and luxurious shower room. Please note that, whilst this area is in use as ancillary accommodation, we understand it does not have Building Regulations approval for use as habitable accommodation.
