DESCRIPTION

Bayards View is a Grade II listed townhouse with origins dating back to the 17th century, when it served as a prosperous merchant's house before later operating as a shop with living quarters above. Occupying a prime position on Newcomen Road. The property enjoys a level central location within easy reach of Dartmouth's vibrant town centre. Currently configured as two apartments and in need of renovation throughout, Bayards View presents an exciting opportunity to restore it to a single substantial family dwelling (subject to the necessary consents) or keep as two apartments offering potential multi generation or living or income. Potential rental income once renovated estimated to be £2500 per month.

The characterful accommodation boasts spectacular views across the River Dart and out to sea, comprising four bedrooms in total, multiple reception rooms adorned with original period features including exposed beams, stonework and ornamental plasterwork ceilings, two kitchens and shower rooms. The ground floor apartment benefits from a private enclosed courtyard, whilst the first floor apartment enjoys decked and elevated terraces, ideal for alfresco entertaining. With its rich heritage, flexible living space, and commanding riverside setting. It is thought there may be further potential to add additional accommodation of a 4th floor subject to listed building concerts.

ACCOMMODATION

The front door opens into a communal entrance hall, providing access to the ground floor apartment and a separate staircase serving the apartment above. The ground floor accommodation offers deceptively spacious living, beginning with a characterful sitting room where a striking shop-style window frames magnificent views across the River Dart to the open sea beyond. Exposed beams and original stonework lend warmth and period charm to this inviting reception space. The kitchen/dining room is well-appointed with a comprehensive range of floor and wall-mounted units set against tiled surrounds, with space for an electric oven, fridge/freezer, washing machine and dining table. A rear hallway provides valuable storage cupboards and houses the gas-fired boiler, with a door leading to a private enclosed courtyard. The ground floor is completed by a double bedroom, which also benefits from courtyard access, and a tiled shower room fitted with shower cubicle, WC, wash hand basin and heated towel rail.

Ascending to the first floor reveals a wonderfully spacious sitting/dining room where an elegant bay window with built-in seating showcases breathtaking views encompassing the River Dart and the iconic silhouette of Dartmouth Castle. The dining area is particularly distinguished by its ornamental plasterwork ceiling, a fine example of the property's original architectural detailing. Adjacent to the principal reception room, a practical utility area houses an additional gas-fired boiler and offers space and plumbing for laundry appliances, as well as room for a fridge/freezer. This flows into the well-equipped kitchen, featuring a comprehensive range of floor and wall-mounted units alongside an integrated electric oven and hob. A door from the kitchen opens onto a decked terrace, which leads to further elevated outdoor terraces, perfect settings for alfresco dining and entertaining.

The second floor accommodates three bedrooms, with the principal bedroom positioned to capture the property's finest views. These rooms are served by a shower room, complete with shower cubicle, WC, wash hand basin and heated towel rail.
